

# 2017 West Seattle EDUCATION FAIR

## Independent School Education Fair Returns to West Seattle

Back by popular demand, the **West Seattle Education Fair** returns to Seattle this fall to offer families an opportunity to meet admission staff and learn more about private and independent schools in the area. This year's event will take place on **Monday, November 13 from 7:00 to 9:00pm**, at Alki Masonic Center. ***This is a free event and all are welcome.***

Selecting the best school for a child can be an intensive experience. Learning about the options available is an important first step. The West Seattle Education Fair will feature independent schools for students in grades K through 8. Parents, families and students are invited to attend. Talk with school staff members one on one, learn about the variety of schools and programs available, and meet other parents and families in your community.

Private independent schools can offer tremendous benefits for students, from small class sizes to academic rigor and individualized study. The Education Fair will provide information to West Seattle families about all their education options, with representatives from local preschools, elementary schools and middle schools in one convenient location.

**Participating schools include:** Explorer West Middle School, Holy Rosary School, Hope Lutheran, West Seattle Montessori, Northwest Montessori, Westside School, and Harbor School (*Vashon Island*). **We hope to see more schools in attendance by the time of the event!**

This free event is sponsored by the West Seattle Blog and is open to all. No reservations required.
